Main Problems

- Lack of Focus
- Inefficient study methods
- Studying alone may be demotivating
- Struggle to find peers with similar study goals, subjects, availability or styles

The result: lower productivity, less engagement, and potentially poor academic outcomes.

Our Solution: StudyBuddy

- **What is StudyBuddy?**

StudyBuddy is a student centred academic support application

- **Who is it designed for?**

Students who want to improve their study habits through collaboration

- **What is our aim?**

To improve learning outcomes by making it easy for students to find compatible study partners

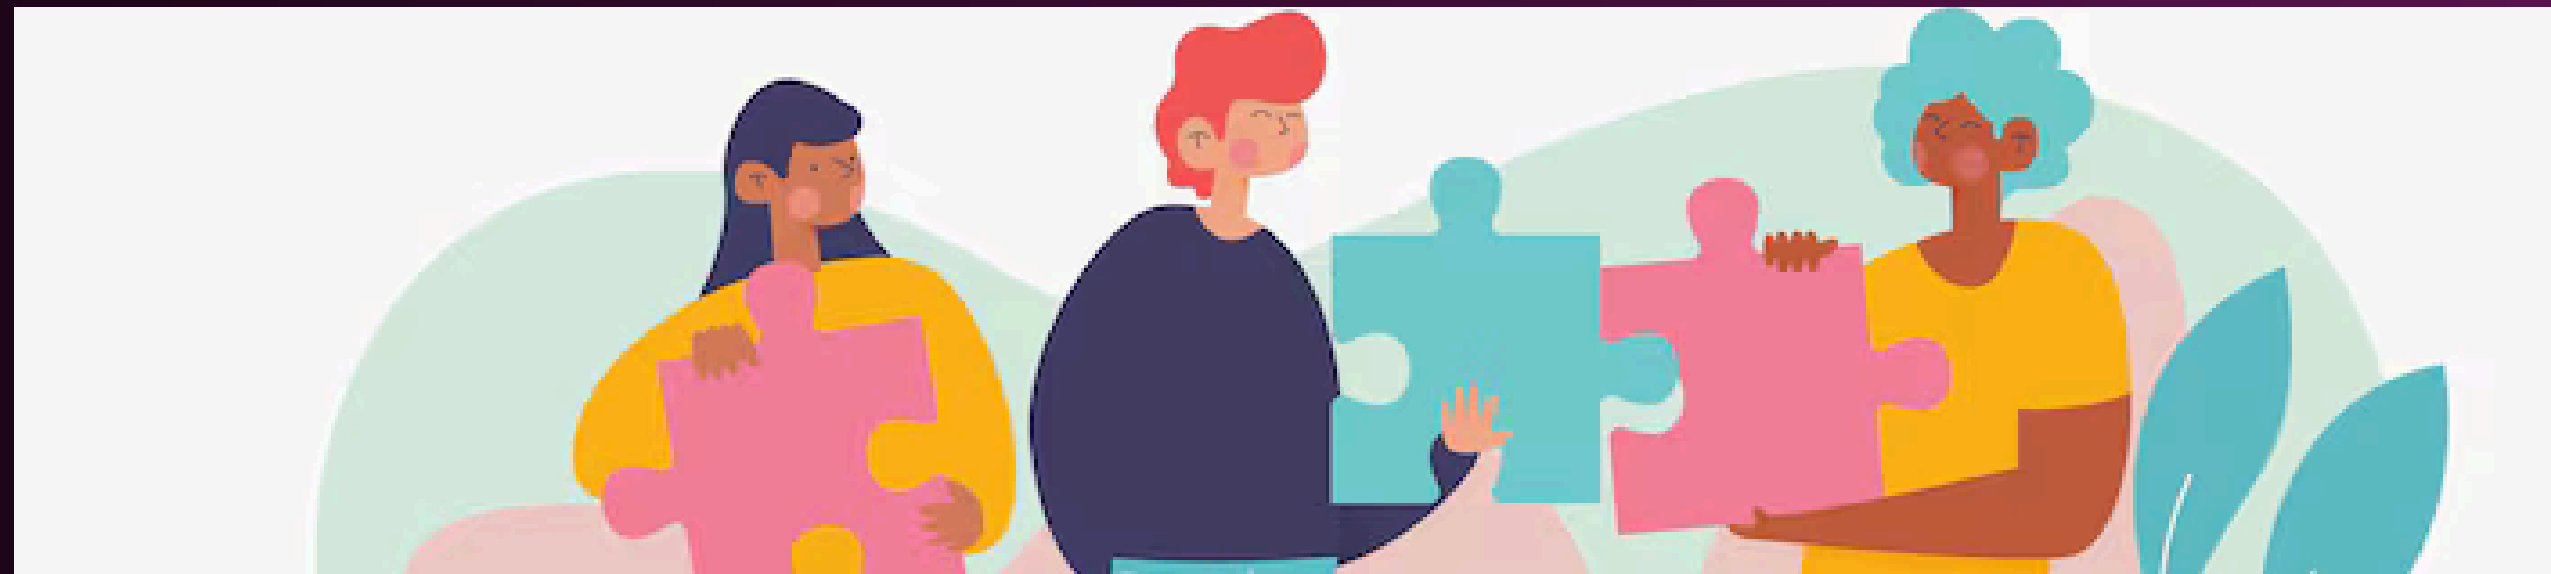

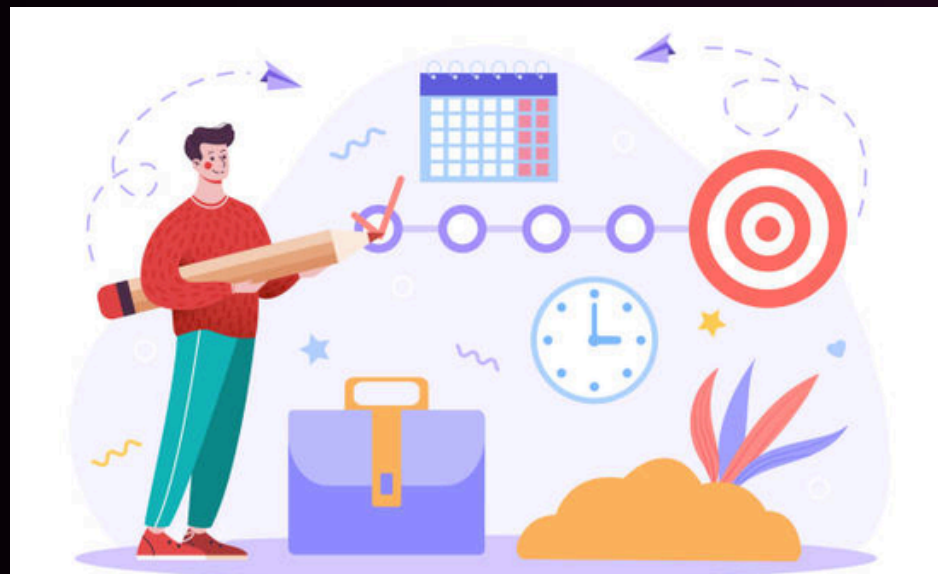

Why StudyBuddy?

- **Unique Features**

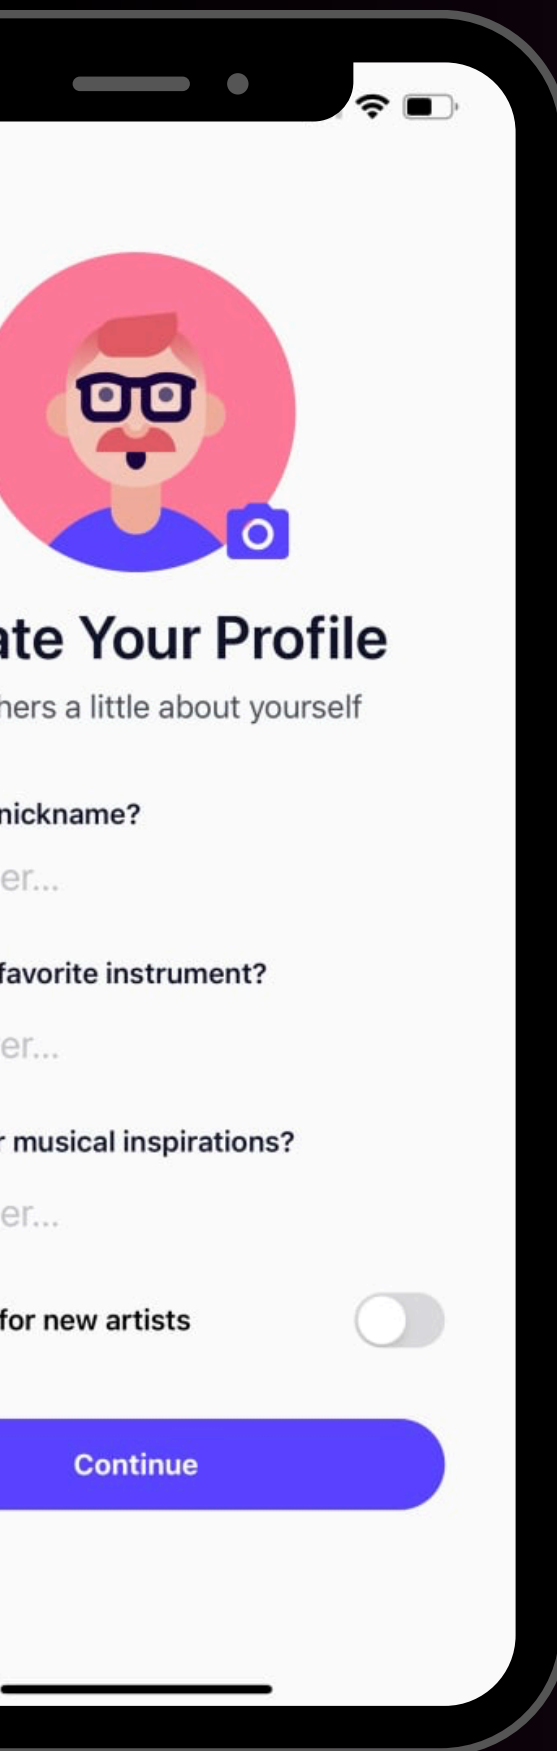

- Smart matching algorithm
- Schedule study sessions and track progress
- Seperate from social media

- **Impact**

- Helps students improve academic performance
- Encourages collaboration and accountability
- Creates a supportive learning community
- Helps home-schooled people gain useful social interaction
